**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As we are a rural family we are happy to use a smaller provider -Sonic- for our internet provider. With this local service we have received personal help with occasional issues - we get a bundle providing landline phone service as a bonus inc long distance to the UK at not extra charge. Please give them the opportunity to improve our WiFi connect through fiber optic wiring. That will be the future - please make sure we Country folks get it. It is a life line to the bigger world!
